President Sir Robert A. Falconer,
University of Toronto

Dear President Falconer,

I applied to Mr. Laidlaw to be allowed to occupy temporarily the rooms in the North House which I occupied formerly. He informed me that there were several applicants for the appointments and as he seemed to me to be apprehensive that my entrance temporarily was possibly intrusive and might prejudice the matter, I considered it advisable to write you a note of explanation.

I endeavoured to make it clear to Mr. Laidlaw that my application was not the expression of a personal wish in the matter. I quite realised the impropriety of this. As the room was unoccupied and much of my furnishings books, etc, were there, I considered that I might be permitted to remain temporarily since I was quite unsettled, as I have just returned after a long absence.

Yours sincerely,

L. Gilchrist
